I know you have a lot to do but I think you will get a kick out of these three I have. I am in Louisiana and LUCKILY ended up with three boykins. They love it on the farm and have to take them out of the ac house and take them swimming ... The Sam puts on a show trying to get fish by his feet. He ant got one yet. Anyway. I love my puppies. I am sixty five, lived in Greenville , SC and also spent many days in Camden with some great friends. Look if you want to and You be the judge. Megirl is the mother of Wavy and Sam is from a friend that had to move into town and gave him to me because he knew how he would like it out here. Need I say less. Cajun Don.. We only have three other boykins in Lafayette, LA area. I sure get a lot of people stopping me when I am driving around town and they say "Where did you get the Boykins?" Ok, I am out of here. see ya'll later. Your palie, Donnie.
